SUBJECT: **REVOLVING FUNDS AND REVOLVING CASH TRUST FUNDS AS OF
JUNE 30, 2007**

Attached is a detailed report on County departments' Revolving Fund and Revolving Cash Trust Fund (RCTF) assignments. The report shows the account title, responsible County officer, fund number, account number and amount for each assignment as of June 30, 2007.

Background

On April 4, 1978, your Board adopted a resolution pursuant to Government Code Section 29321.1, authorizing the Auditor-Controller to perform the functions of your Board to establish, discontinue, increase or decrease revolving funds established pursuant to Article 2, Chapter 2, Division 3, Title 3 of the Government Code. Departments use the revolving funds to make change, small purchases and for other specific purposes, such as Cash Aid disbursements.

Similarly, on October 21, 1980, your Board adopted a resolution, pursuant to Government Code Section 25252.6, authorizing the Auditor-Controller to perform the functions of your Board to establish and determine the amount of Revolving Cash Trust Funds established pursuant to Part 2, Division 2, Title 3 of the Government Code. Departments use Revolving Cash Trust Funds to expedite high volume refunds.

Under the authorizations, we are required to file this annual report with your Board showing all Revolving Fund and Revolving Cash Trust Fund assignments.

"To Enrich Lives Through Effective and Caring Service"

Summary of Activity

Total Revolving Fund assignments as of June 30, 2007, were \$10,662,891. The Children and Families First Proposition 10 Commission (Prop 10 Commission) accounted for \$8 million of the total Revolving Fund assignments. The Commission is required to keep its funds in the County Treasury. The remaining \$2,662,891 in revolving funds was assigned to various County departments as detailed in Attachment I. Total RCTF assignments were \$1,265,720 as detailed in Attachment II.

From July 1, 2006 to June 30, 2007, Revolving Fund assignments decreased by \$2,200 and RCTF assignments remained unchanged. The \$2,200 net decrease in Revolving Fund assignments resulted from the Treasurer and Tax Collector decreasing an existing revolving fund by \$4,200 and establishing a new revolving fund for \$2,000 (Budget and Fiscal Services).

Revolving Fund Assignments

Revolving funds, established in accordance with Government Code Section 29321.1, are available to make change, and to make authorized purchases of services and supplies. A departmental revolving fund can be assigned or subassigned to various locations (sections, divisions, etc.) within a department. Departments handle each subassignment in the same manner as the regular fund assignment.

Departments may also request revolving funds for specific purposes such as Cash Aid disbursements. Regardless of the purpose, authority to spend funds must be granted in the Board approved budgetary process, and operating funds must be encumbered prior to making expenditures.
